ACCESS AGREEMENT

PROPERTY:

JAM HOLDINGS LLC
3323 JOSEPHINE ST
DENVER, CO 80205

I will allow Environmental Protection Agency (EPA) staff and EPA's authorized representatives to have access to my property identified above for the purpose of collecting soil samples. I understand that this service is provided at no cost to me.

I understand that this soil testing is part of an investigation of possible metals contamination in soils in the north Denver area. EPA is conducting this investigation as part of its responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act, a law also referred to as "Superfund".

Phone Number

Please check the following if applicable:

☐ I would like EPA to provide me with a portion of the sample, called a "split sample," that I may have analyzed at my own expense.

If you have any questions, please contact Ted Fellman at (303) 312-6119, or Marta Valentine from the Morrison Knudsen Corporation (EPA's contractor) at (303) 948-4693.

Your Comments:

PLEASE SIGN AND RETURN THIS ACCESS AGREEMENT TO OUR CONTRACTOR IN THE ENCLOSED PREPAID ENVELOPE. Soil sampling will take about 1 hour. The owner or resident need not be present. If you would like to be notified when we plan to sample your property, please state so in the Comments section and provide your phone number. Also, pet owners are asked to provide a phone number so that if necessary we may schedule the sampling at a time when the pet will be indoors or restrained. Thank you for participating in this important study of your neighborhood.

NOTE: If you are not the current property owner, and you are not a renter who wishes to forward this request to the owner, please state so in the Comments section and return this agreement unsigned.

Mr John Wardell, Director
Environmental Protection Agency
Region 8, Montana Office
Federal Building
301 South Park
Helena, MT 59626

Dear Mr Wardell

Mr Homer M Berrum has contacted me for assistance regarding concerns he has with the possible presence of Zonolite Asbestos in his home insulation I understand the local media has reported the presence of Asbestos in recent testing completed at Yellowstone National Park This reporting has heightened the awareness of the dangers of this substance in home insulation products

Please review Mr Berrum's concerns to determine what options are available to him
You may direct your correspondence to my office at

Senator Conrad Burns
Attn Julie Altemus
575 Sunset Boulevard, Suite 101
Kalispell, MT 59901
(406) 257-3360 or 800-344-1513
Fax (406) 257-3974

Thank you for your assistance in this important matter Your services are always appreciated

Sincerely,

Conrad Burns
